ANGLO IRISH BANK SWEEPS BOARD AT EXPAT AWARDS

EXPATRIATE magazine Nexus has voted Anglo Irish Bank Corporation (I.O.M.) P.L.C. winner in five out of five international deposit taking categories in its 2006 Best Banks for Expats Awards.

The Nexus Awards are based on the number of times a savings account appeared in the magazine's monthly 'Best Buys' tables during 2005. 'Best Buys' accounts are those which offer the highest interest rate available at the time in the different categories of account. Success in the Nexus awards confirms Anglo Irish Bank has consistently offered the best interest rates during 2005. Anglo Irish Bank came top in five award categories: Best Offshore Bank for Expats, Best Sterling Instant Access Account, Best Sterling Notice Account, Best US Dollar Account and Best Euro Account.

Anglo Irish Bank director, Mark Gaywood said: "When we launched our Privilege range of accounts we made a commitment to keep our interest rates competitive. This award provides a powerful and independent endorsement that we are delivering on our promise. The fact that we have won all five awards, including Best Offshore Bank for Expats, signals to expatriates – and others looking for international deposit accounts – which they can trust Anglo Irish to offer a good deal on a consistent basis."
